MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Rockefeller Award

1. This memorandum is for your information only.
2. Because we have had a number of nominees but no successful candidates for the Rockefeller Award, I suggested and you agreed that we try to talk to someone in the administration of the Rockefeller Awards Program to obtain some guidance as to future nominations. We found that Mr. Knoche is acquainted with Mr. van de Velde and will take the earliest convenient opportunity to discuss the subject with him. Attached is Mr. Echols' memorandum, dated 8 December 1966, which explains the plan.

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Rockefeller Awards

REFERENCE : Memo dtd 16 Nov 66 to D/Pers fr EO/DDS, concerning  
same subject

1. This memorandum is for information.

25X1 2. [ ] has talked to Mr. Henry Knoche and confirmed that he is  
25X1 on very friendly, although not intimate, terms with Mr. van de Velde. Miss  
[ ] explained to Mr. Knoche the kind of information we hoped to obtain  
about the type of nominees who might be given favorable consideration for  
the Rockefeller Award. Mr. Knoche readily agreed to take this matter up  
with Mr. van de Velde at the earliest convenient opportunity.

3. Since it will be some months before we are again invited to nomi-  
nate for this award, we have not asked Mr. Knoche to set a particular dead-  
line for reporting the results of his conversation. We have, however,  
placed it in suspense for a follow-up with Mr. Knoche about 15 February  
1967. The results of his discussion will, of course, be reported to you.
